

Milton Keynes Finance & Business Services

Deloitte employs almost 400 people in its Milton Keynes office at the Pinnacle

Deloitte is one of the strongest performing businesses in the professional services sector – a key area of international competitive advantage for the UK.

“Our global, integrated approach combines insight and innovation from multiple disciplines with business and industry knowledge to help our clients excel anywhere in the world. We have 23 offices across the UK including our Milton Keynes office at the Pinnacle where we employ almost 400 people. Developing exceptional relationships with our clients lies at the heart of our business strategy. This goes well beyond a transactional approach – ‘doing a good job’ on individual engagements – to really understanding our clients’ businesses and bringing the full breadth of our expertise to bear”

Why Milton Keynes

Milton Keynes and the surrounding region is a key market for Deloitte and for the clients that they work with, the Milton Keynes region has a large and growing business population, across a variety of sectors, with particular strengths in knowledge based industries such as Manufacturing, Technology and Business Services.

A dynamic and entrepreneurial business community exists here, many of whom have demonstrated ambitions for success in the UK and internationally. This client ambition

combined with our ability to provide integrated client support across multiple areas, has allowed us to help clients locally to achieve a variety of growth and expansion plans. This would include managing and mitigating risk, commercial property requirements, developing staff and assisting them with delivering their strategic plans.

Milton Keynes Expansion

Milton Keynes has been and still is instrumental to Deloitte’s expansion as a successful growing and international business city with businesses that need integrated, considered and insightful business advice. Their ambition is for the success of clients across the Milton Keynes region, whether they are international businesses, private or public companies.

Working with local partners

Deloitte believes business plays a fundamental role in inspiring and effecting the changes required to drive them towards a more prosperous and sustainable society.
