World Class Manufacturer Niftylift expands UK Head Quarters in Milton Keynes

Winners of Two Queens' Awards for Enterprise and International Trade

Niftylift is one of the largest manufacturers of hydraulic access platforms in Europe and sells throughout Europe, the USA, the Middle East, Far East, Australia and South Africa. Niftylift specialise in the design, development and engineering of compact, low weight articulating booms that offer maximum performance with minimal environmental impact.

Choosing Milton Keynes

Niftylift moved to Milton Keynes in 1988, and has since been involved with the local community, working closely with numerous charities, schools and organisations, expanding with the rapidly growing city. Since moving to Milton Keynes with just three members of staff, Niftylift has grown to just over 250 employees, with a turnover of

£50m+ operating in over 40 countries worldwide.

Milton Keynes Expansion

Through building close relationships with the local schools, colleges and businesses, Niftylift have been able to encourage and promote the career opportunities available within engineering and manufacturing.

Opportunities at Niftylift are available at all levels, from work experience through to graduate placements, along with a focus on the multi-level entry engineering apprenticeships – which are run in conjunction with MK College.

MILTON KEYNES
COUNCIL

The Milton Keynes business community is extremely supportive and has helped the development of Niftylift over the past 20 years. Milton Keynes is a rapidly expanding business centre - continuously offering more and more for businesses and various industries.

Award Winners

Through Niftylift's continual investment in staff, manufacturing equipment and technology, the company is able to consistently produce high quality innovative products, which have been recognised through the awards Niftylift have won, including two of the Queens' Awards in 2013 for Innovation. In 2014 they were double winners at the MK Business Achievement Awards for International Trade and Business of the Year.

"This is a tremendous achievement for us [Niftylift] and we are honoured to be recognised as a company of the highest calibre of British business". "These awards help to illustrate how our dedication to design and innovation together with our attention to detail and strong customer focus have allowed us to continue to compete successfully in this global marketplace".
